# REALTOR® Trademark

The term REALTOR® is not only a trademark owned by NAR and protected by federal law, it is also a valuable membership benefit that distinguishes members from all others in the real estate business. Watch this entertaining video to learn how members can protect the value of the mark by using it properly. Remember, a REALTOR® isn't "just another real estate agent." Being a REALTOR® means more.

## Dearborn Area Board of Realtors Chat

RE: National and State Dues Increase for 2024

DABOR Family,

I hope this letter finds you well.

One of my goals as President is to ensure that I communicate pertinent information and keep an open dialogue with all of you, therefore I wanted to take a moment and briefly address the increase of the NAR and MAR dues for next year.

As of yesterday, the National Association of Realtors voted to tie their annual membership dues to the Consumer Price Index. The National Association of Realtors board voted to increase the annual dues by 4 percent, requiring the amount Realtors® owe to the National Association \$201 (previously \$195) for 2024.

Likewise, the Michigan Association of Realtors announced that due to costs rising in virtually every sector of association business, The Michigan Board of Directors voted to increase their dues to \$229 (previously \$193) for 2024.

Please know that the Dearborn Area Board of Realtors does NOT plan on increasing their dues for 2024, and will remain as consistent as possible. Please do not hesitate to reach out with any questions you may have.

---

\*While the DFCU Financial Board of Directors intends to pay Cash Back every year, and has done so since 2007, Cash Back is not guaranteed and will depend on our financial performance and other factors. Annual Cash Back payments are limited to an aggregate of \$10,000 for each tax-reported owner. The IRS requires that Cash Back for an IRA be paid to the same IRA account, and that it be open when Cash Back is deposited. Cash Back to Commercial / Business Banking members is subject to additional terms. Anyone who causes DFCU Financial a loss for any reason is not eligible for Cash Back.
