# REALTOR® Trademark

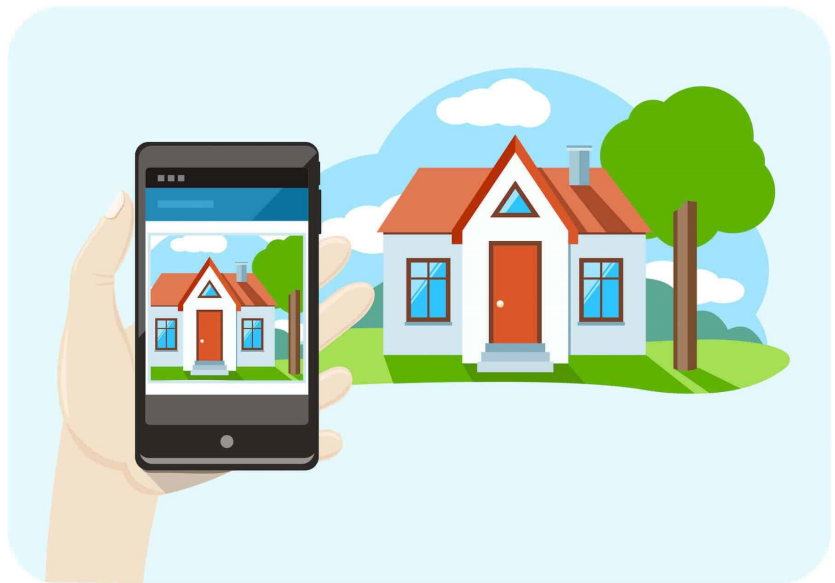

The term REALTOR® is not only a trademark owned by NAR and protected by federal law, it is also a valuable membership benefit that distinguishes members from all others in the real estate business. Watch this entertaining video to learn how members can protect the value of the mark by using it properly. Remember, a REALTOR® isn't "just another real estate agent." Being a REALTOR® means more.

*President Elect*  
*Laila Dakroub*  
Dearborn Area Board of Realtors

I recently had the pleasure of attending the Legislative Meeting hosted by the National Association of Realtors in Washington DC. The meeting brought together realtors from all corners of the United States to discuss upcoming legislation affecting our industry and to share ideas for the upcoming RPAC fundraising campaign.

As an active member of the real estate community, I was thrilled to be included in this vital discussion. The Legislative Meeting proved to be a great opportunity to connect with other realtors who share my passion for the industry and to engage with lawmakers on issues that impact us the most.

One highlight of the trip was a meeting with our state representative at the baseball field. Although the location was unique, it became apparent that it was not the best place to conduct a legislative meeting. We quickly realized how important it is for our meetings to be held in the capital to ensure proper communication between realtors and lawmakers.

Throughout the event, we were able to generate new ideas and strategies for fundraising and awareness campaigns for RPAC. These fundraising initiatives assist the National Association of Realtors and Michigan Realtors in advocating on behalf of our industry at the national and state level, so it was imperative that we all worked together to develop effective strategies.

Overall, the Legislative Meeting was a tremendous success. The event brought together thousands of realtors from across the country, allowing us to work together to shape the future of our industry. In a time when the market and industry face ever-evolving challenges, it's more important than ever for realtors to stand together and make sure our voices are heard.

Best Regards,

Laila A. Dakroub, President Elect

\*While the DFCU Financial Board of Directors intends to pay Cash Back every year, and has done so since 2007, Cash Back is not guaranteed and will depend on our financial performance and other factors. Annual Cash Back payments are limited to an aggregate of \$10,000 for each tax-reported owner. The IRS requires that Cash Back for an IRA be paid to the same IRA account, and that it be open when Cash Back is deposited. Cash Back to Commercial / Business Banking members is subject to additional terms. Anyone who causes DFCU Financial a loss for any reason is not eligible for Cash Back.
